#### **IMPORTANT NOTE**

On Sunday the Abraka Drabble show will run on the main stage, where I will read the top10 entries from the weekend and any drabble entries of note. Then during the awards ceremony the winner will be announced and will win a KINDLE **Fire HD 8 Tablet, 16 GB, Black—without Special Offers.**

If you win but are not there to collect it during the awards ceremony then I will post the prize out to you. Please make sure your postal details are accurate. Proof of postage will be obtained but I can't replace the prize if it should be lost in the post, or lost due to being sent to an old address or incorrect address.

If you have email access at the event and would rather send it digitally, then please register at <http://abrakadrabble.com/submit> and post your drabble there, it has a word counter. It will allow you to look at the other drabbles submitted if there are any. You can like, love or hate entries.

Please try to keep drabbles suitable for PG-13

If you want to enter and do not have a ticket to lavecon, then please feel free to enter, please put a (not lavecon) in the title and that will help me keep track. You won't be eligible for the prize, but you could be part of the show Sunday.
